together we weather the storms

**Hellenic Hull
Mutual
Association**

15 years ago... like a heaving wave; Hellenic Hull Mutual Association Plc. was launched, in order to serve the insurance needs of Greek and Cypriot shipowners. We brought change to the Insurance Market, the Mutual grew, and we earned the trust of the shipowning community.

Today, with more than 1.000 entered vessels, and having already settled claims worth over US\$125.000.000 HMA is a robust and reliable insurance solution.

Being in constant direct contact with Members, providing prompt and effective solutions, and offering high quality services according to international standards, provides us with strength to carry on.

Today more than ever, the rough seas require strong partners and the Hellenic Hull Mutual Association Plc. continues with the same dedication to guarantee to its Members / Assureds ...fair winds and following seas.
