

## Hellenic Hull Mutual Association Celebrated 10 years of Successful Operation

The Hellenic Hull Mutual Association celebrated 10 years of successful operation in the shipping industry in one of the oldest historic hotels in Athens, the Hotel Great Britain.

Among Association's guests were Mr. Nikos Eythimiou (President of the Association of Greek Shipowners), Mr. Evaggelos Marinakis (Barclay Shipping), Mr. Iakovos Rigos (John J. Rigos Marine Enterprises S.A.), Mr. George Dalakouras (Dalex Shipping), Mr. Mansfred Schnell (General Director of Munich Re in Greece), as well as other distinguished executives of Greek and Cypriot Shipping Companies as Transmed Shipping Limited, Oceanbulk, Overseas, Pacific and Atlantic Corporation. In addition, the Association was honored by the presence of the majority of Greek and British insurance brokers.

Before dinner, Mr. Bob Wiggins (Member of the Board of Directors of Hellenic Hull Management) pointed out that the reason of the creation of the Association was the need for an insurance provider which wielded the required power and clout to adequately and responsibly deliver customized insurance services to Greek-Cypriot ship owners.

Subsequently, as regards to the future of the Association, Mr. Wiggins stressed that since the Association has stood out in a crowded field, it will undoubtedly continue to grow, regardless of the overabundance of coverage supply and the diminishing premiums that are currently widespread in the market.

The reception ended late at night with the promise of the people of the Association to meet again to celebrate the second successful decade of the Association.

Kind Regards
